

TAKEOUT MENU

Chef Tom Nozawa and Chef Kazunori Nozawa

To provide the best takeout sushi, we do not sauce the fish. We package the sauces for you and provide a card to let you know what sauce goes with each fish. Enjoy!

There may be small daily variations to the Trust Me's and the Nozawa

All items are subject to availability.

Eating raw or undercooked foods may increase the risk of food borne illness. Also please note that while infrequent, there could be pieces of shell or bone in our fish and shellfish.
